FIELD TRIPS: The purpose is a non-competitive sharing of a few of our best shots taken on the day and location of our monthly field trip; images are shown anonymously in a slide show at our next meeting for the enjoyment of all members . You can read more about the purpose and parameters of club field trips on our website at [http:// www.oceansidephotographers.ca/fieldtrips.php](http://www.oceansidephotographers.ca/fieldtrips.php)

ASSIGNMENTS: Three photos are selected in each category by fellow members in a point-per-vote system. Please see more information about the purpose and parameters of assignment images on our website at <http://www.oceansidephotographers.ca/photoguide.php>

Shutterbug 'SpotLight': Image submissions compete to be the cover photo of our monthly newsletter. You can find the topic assigned for the next month in each issue which is sent to you by email.
